

Seeking Summer Environmental Education Interns

Environmental interns will assist in teaching hands-on, waterside workshops to children ages 6-10 years old. The Workshops will be offered in Westborough, Marlborough, and Framingham. **High school and/or college students interested in environmental education should apply.** Preference will be given to students with a demonstrated love for the outdoors and environment, teaching and working with children. Interns will need to provide their own transportation to and from the OARS office and to the workshop locations. Training will be provided. **Read more about this program at www.oars3rivers.org**

Two interns will be hired. These are part-time paid positions, 12 hours/week on average, for 8-10 weeks from late June through mid-August.

Email a cover letter and resume to office@oars3rivers.org by **May 12**.
